

§ 1434.5

(4) A surety, by furnishing a bond, guarantees to protect CCC from any loss incurred for which the minor would be liable had the minor been an adult.

(g) A CMA that the Executive Vice President, CCC, determines meets the requirements for CMA's in part 1425 of this title may be eligible to obtain a loan on behalf of those members who themselves are eligible to obtain a loan provided that:

(1) The beneficial interest in the honey must always, until loan repayment or forfeiture, remain in the member who delivered the honey to the eligible CMA or its member CMA's, except as otherwise provided in this part; and

(2) The honey delivered to an eligible CMA shall not be eligible for a loan if the member who delivered the honey does not retain the right to share in the proceeds from the marketing of the honey as provided in part 1425 of this title.

§ 1434.5 Eligible honey.

To be eligible for a loan, the honey must:

(a) Have been produced by an eligible producer;

(b) Have been produced in the United States during the calendar year for which a loan is requested and extracted on or before December 31 of such calendar year;

§ 1434.6 Beneficial interest.

(a) To be eligible to receive marketing assistance loans under this part a producer must have the beneficial interest in the honey that is tendered to CCC for a loan. The producer must always have had the beneficial interest in the honey unless, before the honey was extracted, the producer and a former producer whom the producer tendering the honey to CCC has succeeded had such an interest in the honey. Honey obtained by gift or purchase shall not be eligible to be tendered to CCC for loans. Heirs who succeed to the beneficial interest of a deceased producer or who assume the decedent's obligations under an existing loan shall be eligible to receive loans whether succession to the honey occurs before or after extraction so long as the heir otherwise complies with the provisions of this part.

(b) For the 2002 crop of honey, in the case of producers that would be eligible for a loan deficiency payment under this section except for the fact that the producers lost beneficial interest in the crop before October 18, 2002, the producers shall be eligible for a loan deficiency payment as of the date producers marketed or otherwise lost beneficial interest in the honey, as determined by the Secretary.

(c) A producer shall not be considered to have divested the beneficial interest in the honey if the producer retains control, title, and risk of loss in the honey including the right to make all decisions regarding the tender of such honey to CCC for a loan, and the producer:
